Subject: FW: Meeting on PolyMet permits

Hello Kathryn,

Now that the NEPA review is primarily over, we will be handing the reigns over to the applicable permitting programs. Presently, the points of contact are:

NPDES – Krista McKim
CWA 404 – Melanie Burdick

Krista and Melanie are cc'd on this email. I will ask them to coordinate with you on this request. I am also available to assist with anything NEPA-related.

Sincerely,

Mike Sedlacek

Environmental Scientist

Subject: Meeting on PolyMet permits

Ken and Mike,

The Mining Truth coalition would like to visit with EPA this spring about PolyMet's upcoming applications for NPDES and 404. If we come down to Chicago, can we have a few hours of your team's time?

Here are some dates that work for us:

May 6

May 23

May 24

May 25

June 7

If none of those work, I can suggest some other dates. Thanks for your time.

Best,

Kathryn Hoffman
